When: May 15, 2018

Where: Montreat Conference Center

Cost: \$20 (includes lunch)

Soul Shop™ for Youth Workers is a one-day, faith-based training designed specifically to equip youth workers to minister to youth who are impacted by suicidal desperation. Suicidal desperation includes youth who are currently engaged in suicidal thinking, youth concerned about a family member or friend who may be suicidal, youth who have lost a friend or family member to suicide, or youth who have recovered from a period of suicidal thinking in the past. Since 17% of youth are seriously considering suicide and 10% of youth will attempt suicide before age 30, Soul Shop™ for Youth Workers is essential training for anyone who ministers to youth in a paid or unpaid capacity.

This one-day training will put emphasis on youth-specific issues like impulsivity, contagion, and confidentiality. The training lays a Scriptural foundation for ministering to suicidal desperation among youth and also teaches practical skills, like how to recognize warning signs, how to engage in life-saving conversations, and how to keep youth safe. Soul Shop™ for Youth Workers also provides practical ways to integrate this ministry into lesson plans, group activities, and one-on-one conversations.
