

**Hunger Committee
July 29, 2014
Rev. Bill Heck, Chair**

Your Hunger Committee is grateful for the 65 churches in our presbytery who faithfully support the Nickel A Meal offering. This year, so far, our presbytery has provided significant support for:

- 1) Malawi’s Nkhoma Hospital Children’s Ward\$16,764
- 2) Black Mountain Children’s Home Community Garden.....\$1,000
- 3) Interfaith Assistance Ministry of Henderson County.....\$4,000
- 4) Dulatown Presbyterian Church food pantry\$3,350
- 5) Community Assistance Program of Waldensian Presbyterian Church\$3,350
- 6) Back Pack program of Macon County’s Care Network\$5,000
- 7) Cherokee County Sharing Center\$6,000

Isn’t it amazing how Presbyterians willing to make a small sacrifice (just 5 cents a meal) and working together can make such a big difference? If your church would like to participate in this offering and needs some information or encouragement, please let our committee know. We can arrange a visit if you’d like.

The deadline for submitting requests for Nickel-A-Meal Grants to be awarded this fall is October 1, 2014.

Grace and peace,

Bill Heck, chair
